

COMPULSIVE GAMBLING AWARENESS, PREVENTION & TREATMENT: CONNECTING THE DOTS

18th Annual Conference

May 14-15, 2015

A Call for Presentations

The Florida Council on Compulsive Gambling in partnership with Miami Area Geriatric Education Center (MAGEC) and United Way of Broward County Commission on Substance Abuse are pleased to announce a *Call for Presentations* for our upcoming 18th Annual Conference, scheduled for May 14-15, 2015 in Ft. Lauderdale, Florida.

Compulsive Gambling Awareness, Prevention and Treatment: Connecting the Dots promises to offer groundbreaking strategies and approaches to increase awareness among treatment and industry professionals while mobilizing the community on issues relating to problem and compulsive gambling.

The FCCG is seeking proposals from individuals interested in sharing information, knowledge, research and experience in the areas of comorbidity, prevention, treatment strategies, recovery and responsible gaming. **The presentation submission deadline is Friday January 23rd, 2015.**

Conference Topics

- *Prevention Strategies*
- *Intervention & Counseling Models*
- *Comorbidity Issues*
- *Responsible Gaming Issues*
- *Recovery & Relapse Prevention*
- *Neurological & Medical Developments*

Submission Requirements:

- Proposal outlining workshop format, goals, objectives and intended audience
- Presenter experience, including current resume & professional background
- Equipment, timeframe required, & any other special needs

Join us in Ft. Lauderdale on May 14-15!
