Child Care Assistance Resources

The burden of financial problems can be overwhelming for many individuals. For some, the financial problems must be handled first before seeking out other recovery options, as houses could be under foreclosure, assets could be seized, or other emergency situations may be the top priority at that time. Emergency financial supports and assistance can help with cash, child care, clothing, food, housing and shelters, mortgage and rent, medications, telephone and cell phone bills, transportation, and utility bills.

This guide lists programs that can help with: **Child Care**.

Florida Department of Education – Division of Early Learning – FL

Website: https://www.floridaearlylearning.com/

Part of the Florida Department of Education, the Division of Early Learning dedicates its people, time and energy to ensuring access, affordability and quality of early learning services for the state's children and families. We support children, their families and the child care providers who serve them by partnering with 30 early learning coalitions and Redlands Christian Migrant Association to deliver three programs: School Readiness, Voluntary Prekindergarten (VPK) and Child Care Resource and Referral.

What is School Readiness (SR)?

Florida's School Readiness Program (SR) offers financial assistance to eligible low-income families for early education and care so they can become financially self-sufficient and their young children can be successful in school in the future. Even before children attend prekindergarten, they gain from experiences that help them enter school ready for kindergarten. Services vary based on individual needs and range from developmental screening to child assessments for children ages birth to school-age. The SR program is funded primarily by the federal Child Care and Development Fund Block Grant. The Division of Early Learning (DEL) is the lead administrator for the SR program at the state level and partners with 30 local early learning coalitions statewide and Redlands Christian Migrant Association to deliver SR services and supports statewide.

For an overview of School Readiness, check out the SR Fact Sheet in English (PDF) and SR Fact Sheet in Spanish (PDF).

Benefits of SR:

- Help prepare young children to start kindergarten ready to learn.
- Helps working families afford high-quality early learning services.
- Keeps parents in the workforce and/or participating in educational or training activities.
- Provides parents information about child development, early childhood screenings and family well-being.
- Parents can choose from private centers and schools, public schools, and family childcare homes.

Families with low incomes in Florida who are trying to work or get training to work may be eligible for school readiness help.

The School Readiness Program offers financial assistance to low-income families for early child education and care so families can become financially self-sufficient and their young children can be successful in school in the future.

Services vary based on individual need and range from extended day to extended year and school age care in some instances.

The program takes into account a child's physical, social, emotional and intellectual development; involves parents as their child's first teacher; prepares children to be ready for school; and gives parents information about child development and other topics of interest.

School readiness programs provide developmental screenings for children and referrals to health and educational specialists, and work in cooperation with other programs for young children such as Head Start, Early Head Start and the VPK program.

The Sue M. Pridmore Center

Every day families in the Melbourne are facing disaster. It’s not a hurricane that threatens their wellbeing, but a lost job, medical bills, and the high cost of living in our community. Sometimes these challenges overwhelm a family and they become homeless. The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

Seasonal services offered include the many special Christmas giving programs such as holiday food distribution, toy giving programs for needy children, and adopt-a-family initiatives. Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

How We Help

Typical support from a conference may include:

Financial assistance for housing, utilities, and other family needs. Food assistance, clothing, furniture, and other household goods.

“No work of Charity is foreign to the Society”, so some Conferences may provide unique, or specialized, services depending on the needs of the community, or the individuals, that the Conference serves. Interaction with other charitable, service, or community organizations may also affect the amount and scope of resources that a Conference is able to provide to those in need.

The St. Augustine Diocesan Council is organized with three geographically oriented District Councils to provide administration and support to the Conferences located in the Catholic Diocese of St. Augustine.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create

As part of its mission, the Rosen JCC raises and distributes funds to local families that, due to financial constraints, would otherwise not be able to participate in our child care programs.

Our goal is for no family to be denied access to our programs due to financial hardship. Each year, the JCC sets aside money for scholarships and financial aid for membership fees and child care programs (early childhood, after-school and summer camp).

To apply for financial aid:

- Review the instructions for applying for financial aid (see below "Application Process" and "Documents Required" sections).
- Log into the FACTS web portal to complete your application.
- E-mail us to notify us that you have completed your application and, if desired, to place a deposit to hold your spot in a program.
- If you have additional questions about our financial aid process, please contact Barbara Chiorazzi, Chief Financial Officer, at BarbaraC@www.rosenjcc.org. For assistance with the FACTS online system, please contact their Customer Care team at 1-866-441-4637.

The JCC only provides aid toward its membership fees, and early childhood, after-school and summer camp programs. Additional applications are accepted on a rolling basis throughout the year if remaining funds are available. We encourage you to contact us prior to starting any new applications after the deadline to inquire if any additional funds are still available. free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That's why The Salvation Army's annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

- **Casework Services**
  - The Salvation Army offers case management services in a variety of settings. Social workers and caseworkers work one-on-one with program participants in partnership to offer opportunities to better their lives. This occurs through an assessment process followed by goal planning in applicable areas. Regular casework sessions provide support and accountability.
- **Pathway of Hope**
  - Pathway of Hope expands the scope of social service casework through a plan of increasingly enhanced services that enable clients to grow from emergency service recipients to healthy, interdependent members of their communities. Pathway is grounded in a strengths based case management model and an increased network of resources through community collaboration. Participants in the Pathway initiative commit to an extensive program of personal development that, guided closely by social service caseworkers, is intended to stabilize their present and sustain their futures.
- **Food Pantry**
  - Social Service corps, institutions, programs and canteens meet a basic human need for food and nutrition targeted to specific populations. These mass and congregate feeding programs, mobile meals and commodities distributions serve children, homeless persons, seniors and families in various configurations including seasonal food assistance, food pantries and banks, soup kitchens, day camps, snacks served and home delivered meals.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

Facility Hours: Monday-Thursday, 6:30AM-9PM; Friday, 6:30AM-6PM; Saturday, 9AM-5PM; Sunday, 9AM-3PM

As part of its mission, the Rosen JCC raises and distributes funds to local families that, due to financial constraints, would otherwise not be able to participate in our child care programs.

Our goal is for no family to be denied access to our programs due to financial hardship. Each year, the JCC sets aside money for scholarships and financial aid for membership fees and child care programs (early childhood, after-school and summer camp).

To apply for financial aid:

- Review the instructions for applying for financial aid (see below "Application Process" and "Documents Required" sections).
- Log into the FACTS web portal to complete your application.
- E-mail us to notify us that you have completed your application and, if desired, to place a deposit to hold your spot in a program.
- If you have additional questions about our financial aid process, please contact Barbara Chiorazzi, Chief Financial Officer, at BarbaraC@www.rosenjcc.org. For assistance with the FACTS online system, please contact their Customer Care team at 1-866-441-4637.

The JCC only provides aid toward its membership fees, and early childhood, after-school and summer camp programs. For other forms of assistance, including hunger and homelessness, counseling, emergency financial aid and older adult support, we recommend contacting Jewish Family Services at 407-644-7593.

Application Process:

FINANCIAL AID INSTRUCTIONS

How To Apply

Additional applications are accepted on a rolling basis throughout the year if remaining funds are available. We encourage you to contact us prior to starting any new applications after the deadline to inquire if any additional funds are still available. Any financial aid granted is good for a period of one year (June 1st - May 31st); all recipients must re-apply for the following year.

Step 1

To reserve a spot in a program during the application process, complete the necessary registration paperwork and pay a $100 deposit. This step is optional, but is required to hold a spot for a program that might fill up. This deposit will be applied to the program fees if financial aid is awarded and accepted, or refunded in full otherwise.

Step 2

Apply online through the FACTS Grant & Aid system at https://online.factsmgt.com/signin/4K3ZP. A $30 administrative fee is charged by FACTS that must be paid by the applicant. It generally takes about one week for FACTS to process your application. The JCC does not process nor receive this fee and is unable to refund it.

Step 3

Applications must be accompanied by the following documents (see below), which should be supplied for both parents.

If you have any questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 1-866-441-4637.

Step 4

E-mail Barbara Chiorazzi, Chief Financial Officer, at BarbaraC@www.rosenjcc.org, to let him know that you have completed your application. Please include your name, the names of the children for whom you are requesting financial aid, the programs requested, and the best phone number to contact you.

Documents Required:

Applications must be accompanied by the following documents, which should be supplied for both parents:

> Past two years' federal tax forms including all schedules and W-2s for both parents.

> Recent pay stubs for both parents showing year-to-date totals.

> Current bank statements showing balances for both parents.
