Clothing Assistance Resources

The burden of financial problems can be overwhelming for many individuals. For some, the financial problems must be handled first before seeking out other recovery options, as houses could be under foreclosure, assets could be seized, or other emergency situations may be the top priority at that time. Emergency financial supports and assistance can help with cash, child care, clothing, food, housing and shelters, mortgage and rent, medications, telephone and cell phone bills, transportation, and utility bills.

This guide lists programs that can help with: **Clothing**.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create

Typical support from a conference may include:

Financial assistance for housing, utilities, and other family needs. Food assistance, clothing, furniture, and other household goods.

“No work of Charity is foreign to the Society”, so some Conferences may provide unique, or specialized, services depending on the needs of the community, or the individuals, that the Conference serves. Interaction with other charitable, service, or community organizations may also affect the amount and scope of resources that a Conference is able to provide to those in need.

The St. Augustine Diocesan Council is organized with three geographically oriented District Councils to provide administration and support to the Conferences located in the Catholic Diocese of St. Augustine.

The Sue M. Pridmore Center

Every day families in the Melbourne are facing disaster. It’s not a hurricane that threatens their wellbeing, but a lost job, medical bills, and the high cost of living in our community. Sometimes these challenges overwhelm a family and they become homeless. Mothers with children are especially at risk as they face the challenges of juggling employment, child care,

and living expenses. Often they lack the education, support, and mentoring they need to overcome the adversities they face. When they become homeless, these families need more than a roof over their head; they need a support system to build upon.

That is why The Salvation Army offers our transitional housing solution for women with or without children to help them break free from chronic homelessness and unemployment. The Sue M Pridmore Center for Women and Children is providing these women stability through shelter, self-sufficiency through life skills training and, most of all; personal transformation by helping them to overcome the challenges in their lives and turn their lives right side up.

- **Pathway of Hope**
  - Pathway of Hope expands the scope of social service casework through a plan of increasingly enhanced services that enable clients to grow from emergency service recipients to healthy, interdependent members of their communities. These mass and congregate feeding programs, mobile meals and commodities distributions serve children, homeless persons, seniors and families in various configurations including seasonal food assistance, food pantries and banks, soup kitchens, day camps, snacks served and home delivered meals.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create

- **Food Pantry**

Last year, we provided food for 27,072 individuals from our facility, the mobile food pantry, and holiday meals (Easter, Thanksgiving and Christmas). Our Food Pantry is stocked by community compassion and generous donors, local food drives and food purchased from Harry Chapin Food Bank. In addition to the basics, we try to include surprises that will make our recipients smile. Together, we can do even more. There is no food that is left to waste within our pantry.

- **Clothing, Housewares and Furniture Assistance**

How We Help

Typical support from a conference may include:

Financial assistance for housing, utilities, and other family needs. Food assistance, clothing, furniture, and other household goods.

"No work of Charity is foreign to the Society", so some Conferences may provide unique, or specialized, services depending on the needs of the community, or the individuals, that the Conference serves. Interaction with other charitable, service, or community organizations may also affect the amount and scope of resources that a Conference is able to provide to those in need.

The St. Augustine Diocesan Council is organized with three geographically oriented District Councils to provide administration and support to the Conferences located in the Catholic Diocese of St. Augustine.

nutritious food and a friendly visit with our homebound seniors and disabled neighbors, and critical advice and counsel for Collier residents, young and old.

Our neighbors in need work directly with Vincentian Caseworkers, who direct individuals to the appropriate services provided by SVdP Naples and connect them to community partners to ensure a continuum of care.

The St. Vincent de Paul Home Visit

The centerpiece of our help effort is the Home Visit. Always conducted by a team of trained Vincentians, the home visit gives us a more effective way to support and build stronger relationships with our neighbors in need. This often results in better environments that not only relieve poverty but also bring emotional assistance to all concerned.

- **Meals on Wheels**

St. Vincent de Paul's Meals on Wheels program provides a week's worth of meals to the greater Naples area. Through this program, we feed those who are homebound, disabled or low-income. Many of the seniors in our program are isolated and without weekly visitors. In addition to nutritious meals, they look forward to seeing our SVdP Naples volunteers, who provide conversation and a friendly visit. Over 79,000 meals a year are provided by more than 175 volunteers that support this ministry.

- **Choice Food Pantry**

The Society of St. Vincent de Paul provides a Choice Food Pantry to address the basic needs of our community. The Pantry promotes a healthy diet of food items, special diet items, and household goods. Our neighbors can select the foods they need and want based on family size. The SVdP Choice Food Pantry is stocked and restocked throughout the year with generous donations from:

- Our community
  - Catholic church parishioners
  - Collier Harvest
  - Publix and Naples area grocery stores
  - The Choice Food Pantry serves an average of 70 people a day.

- **Family Assistance Center**

More than 15,000 men, women, and children seek help through our Family Assistance Centers. Those seeking support work closely with Vincentian caseworkers to connect them to the support they need. We offer immediate aid with basic necessities such as food and hygiene items from our Choice Pantry, clothing, and furniture through our Thrift Stores, housing assistance, water, and electric service, through financial aid, and the home visit. Additionally, we work with a variety of community partners to provide a continuum of care.

- **Life Skills**

In addition to all of the services that residents receive through the SVdP Naples Family Assistance Center, we are preparing them for a lifetime of success through systemic change programs. Our Life Skills courses provide valuable family budgeting, community information, saving and credit principles, and career counseling. These classes are taught in partnership with trained professionals through our partnerships with sponsors and community leaders.

- **Aid to the Homeless**

© 2026 Florida Council on Compulsive Gambling, Inc. All rights reserved.

The Naples District Council Aid to the Homeless program is designed to address nutritional needs, basic living needs, and essentials. With community partnerships, we help homeless individuals and families to seek avenues out of homeless through section 8 housing grants, life skills assistance, financial aid, and support in achieving the individual's desired longer-term goals.

- **Holiday Assistance**

During the holiday season, we provide Thanksgiving and Christmas dinners to ensure that no one goes hungry. Additionally, we offer gifts so that parents have a gift to leave under the Christmas tree for their children.

The Conferences of the Naples District

The eight Catholic parishes of Collier County all have a St. Vincent de Paul Conference, a parish-based volunteer group. By working closely with the parish, the conference operates independently from the parish and cooperatively to form the Council.

The Society of St. Vincent de Paul Conferences are affiliated with local parishes in name and in spirit; however, they operate independently. The eight conferences of the Naples District Council include:

Financial assistance for housing, utilities, and other family needs. Food assistance, clothing, furniture, and other household goods.

"No work of Charity is foreign to the Society", so some Conferences may provide unique, or specialized, services depending on the needs of the community, or the individuals, that the Conference serves. Lives are transformed at City Rescue Mission.

Since 1946, City Rescue Mission has been a foundation of support for men and women in Northeast Florida struggling to leave behind homelessness, hunger and substance abuse.

After starting with a vision to simply provide “soup, soap and salvation” – support from our community has seen us grow into a safe haven that offers food, clothing, shelter care, transitional housing and residential recovery programs. Generous individuals, churches, businesses, civic organizations and foundations give financially to make this life-transforming work possible.

Each person who arrives at our doors has their own past. They’ve had their own unique journeys to get here – and their own challenges to overcome. That’s why City Rescue Mission offers a variety of programs to help people on their path to healing, recovery and life transformation.

- There is a safe place for you to sleep, recover and get back on your feet.
- There’s a hot, nutritious meal waiting for you at our table.
- If you’re willing to stay with us a little longer, there are longer-term solutions too, like tutoring, workforce development and addiction recovery.

Shelter Care Services

For Men/Women/Women with Children: City Rescue Mission/New Life Inn is a homeless shelter that offers food, clothing and temporary shelter for a period of 30 days up to 18 months. In addition to providing a meal and safe, warm bed, CRM provides guests with other needed items, such as socks, hygiene products, coats, blankets. Dinner for all guests not using overnight services 5:00 pm – 5:45 pm. Many homeless suffer from some form of addiction. For this reason, City Rescue Mission has a strong focus on its recovery programs.

Community Closet

Sheltering and Serving Our Most Vulnerable Neighbors

The Overcomers Program at City Rescue Mission provides comprehensive 24-hour shelter care and services for those experiencing homelessness for an extended period of time.

This care includes safe shelter, meals, laundry service and case management. Our objective is to serve those most in need through our shelter services so they may become re-housed as soon as they are ready to be successful and sustainable.

While we recognize that everyone has free will and self-determination, we want to empower those who come to us to transition into a successful, sustainable, victorious life. We do not want to enable negative, unproductive and non-sustainable lifestyles.

Homelessness is not merely the lack of a dwelling. A home isn't just a physical building; it provides a sense of security, identity and belonging. Statistics show that when someone becomes situationally homeless, providing intensive assistance in helping them become re-housed as quickly as possible dramatically increases the chances that they will remain housed and not need assistance again.

We see several populations of individuals experiencing homelessness who will utilize these services:

- **Situational/short-term:** Oftentimes current unfortunate circumstances lead people to homelessness. When they are assisted in getting back on their feet quickly, research shows that they will not experience homelessness again.
- **Individuals with a substance use disorder:** These individuals will be referred to CRM's LifeBuilders Program for long-term residential care.
- **Veterans**
- **Disabled/elderly**
- **Mentally ill:** Some with a mental health diagnosis are not on their medication. They need medication stabilization and medicine management, along with a housing plan that includes supportive services.
- **Working poor:** Overcomers provides shelter and services to enable individuals to save money. It also refers to rapid re-housing resources once they are ready to move.
- **Wants a job, but needs documents to get IDs:** Casework assistance will be provided to help with this process.
- **Men, women, and women with children**

camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

Services Offered at This Location:

Emergency Services Salvation Army social service programs help meet the basic needs of daily life for those without the resources to do so themselves. Most often, the programs provide food, clothing, financial assistance to pay utilities, and other necessities. Services provided may vary by location. All Emergency family and individual assistance is provided with dignity and respect.

- **Emergency Shelter**
  - Group homes, emergency shelters, and transitional & permanent supportive housing projects provide housing for varying amounts of time. While in our programs, residents are required to meet regularly with a case manager. Case managers use these meetings to collaboratively create a plan for achieving a more permanent housing solution for each resident. Often times these programs also provide educational, counseling and vocational services to address long-term specific issues that may present as barriers to our program participants. In some instances, residential programs are designed to target specific barriers such as; substance abuse, mental illness and domestic abuse.
    - **Emergency Shelters**

For those looking to escape extreme cold, intense heat, torrential rain, or just wanting a safe, quiet place to spend the night, The Salvation Army provides a nutritious meal, a warm bed and a clean shower.

- **Group Homes and Transitional Living Centers**

Along with meeting immediate physical needs of food and shelter, these establishments provide educational, counseling and vocational services to help develop vital life skills and independence for re-entry into society.

- **Family Service Programs**

The Salvation Army assists families with temporal needs by providing food, housing, and utility assistance. Best of all, these programs enable mothers to stay with their children (boys and girls), even when placed in emergency shelters.

- **Seasonal Services**
  - Seasonal services are special services to help families and children in need at specific times during the year. Seasonal services offered include the many special Christmas giving programs such as holiday food distribution, toy giving programs for needy children, and adopt-a-family initiatives. Beyond Christmas, seasonal services include weather related assistance like fan distribution in the hot summer months and heat assistance in the winter. Back-to-school is another time of special services including

specific material assistance such as backpacks, school clothing and school supplies. Services offered vary by community needs and location.

- **Casework Services**
  - The Salvation Army offers case management services in a variety of settings. Social workers and caseworkers work one-on-one with program participants in partnership to offer opportunities to better their lives. This occurs through an assessment process followed by goal planning in applicable areas. Regular casework sessions provide support and accountability.
- **Pathway of Hope**
  - Pathway of Hope expands the scope of social service casework through a plan of increasingly enhanced services that enable clients to grow from emergency service recipients to healthy, interdependent members of their communities. Pathway is grounded in a strengths based case management model and an increased network of resources through community collaboration. Participants in the Pathway initiative commit to an extensive program of personal development that, guided closely by social service caseworkers, is intended to stabilize their present and sustain their futures.
- **Food Pantry**
  - Social Service corps, institutions, programs and canteens meet a basic human need for food and nutrition targeted to specific populations. These mass and congregate feeding programs, mobile meals and commodities distributions serve children, homeless persons, seniors and families in various configurations including seasonal food assistance, food pantries and banks, soup kitchens, day camps, snacks served and home delivered meals.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create

ABOUT US

The Society of St. Vincent de Paul got its start in Pensacola in 1933. Today the Council of Pensacola-Tallahassee has 6 conferences in Pensacola, 3 conferences in the Niceville and Panama City areas and 2 conferences in Tallahassee. In the spring of 2012, a new youth conference was formed at Pensacola Catholic High School.

The Society of St. Vincent de Paul offers tangible assistance to the poor. This aid may take the form of intervention, advocacy, consultation or direct financial aid. A unique feature of the Society of SVDP is its commitment to “home visit” those who ask for our help. By visiting the poor in their homes, we offer a listening ear and friendship. This allows us to ascertain other family needs that a family may not have expressly sought.

St. Vincent can provide social services and emergency aid. This includes clothing and furniture, help with food, prevent homelessness by assisting with paying rent or utility bills, provide free or discounted transportation, and the charity can assist in many other ways. While funds are limited and can fluctuate throughout the year, they take on challenges of all types, and do what they can to help the people of Leon and nearby counties.

How We Help

Typical support from a conference may include:

Financial assistance for housing, utilities, and other family needs. Food assistance, clothing, furniture, and other household goods.

“No work of Charity is foreign to the Society”, so some Conferences may provide unique, or specialized, services depending on the needs of the community, or the individuals, that the Conference serves. Interaction with other charitable, service, or community organizations may also affect the amount and scope of resources that a Conference is able to provide to those in need.

The St. Augustine Diocesan Council is organized with three geographically oriented District Councils to provide administration and support to the Conferences located in the Catholic Diocese of St. Augustine.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That's why The Salvation Army's annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

St Vincent DePaul Society

Members of the Society of St. Vincent de Paul (or Vincentians) are men and women who strive to grow spiritually by offering person to person service to individuals in need. Our members come from all backgrounds, but all of us are blessed with an awareness that our blessings (time, talent, and treasure) are to be sharing with our brothers and sisters in need.

The Society of St. Vincent de Paul offers tangible assistance to those in need on a person to person basis. It is this personalized involvement that makes the work of the Society unique. This aid may take the form of intervention, consultation or often through direct dollar or in-kind service. An essential precept of the Society's work is to provide help while conscientiously maintaining the confidentiality and dignity of those who are served. The Society recognizes that it must assume, also, a role of advocacy for those who are defenseless and voiceless. Some 12,000,000 persons are helped annually by Vincentians in the United States.

St. Vincent de Paul Society is deeply honored to serve God's poor. We are grateful for the kindness shown to us by Msgr. McNamara and the parish staff. SVDP sees families here at Resurrection of Tuesdays and Thursdays. We make home visits as needed.

The needs of the poor are overwhelming! We offer prayer when meeting those in need. We assist with prescriptions, rental assistance, FPL, and water bills. We provide food, diapers, personal care items. Our thrift shop provides clothing and furniture. We work with the homeless to provide temporary shelter to give them a hand up to a better life.

- A Vincentian worker will call you back, usually the next business day, and take some preliminary information from you including:
  - Confirming basic information such as name, address, phone number, email address, ID number/type, birthdate, and ethnicity
    - A summary of your household income and expenses
    - A list of all people living in your household along with dates of birth and relationships
    - Utility account information if requesting utility assistance
    - A detailed description of what you are requesting and why
    - **All of this information is confidential and is protected in our encrypted, digital neighbor database**.
- The Vincentian will then make an appointment with you for a home visit so we can further assess your needs. If, as in the case of the pandemic, a home visit is not possible, all information will be taken over the phone or by meeting outside in your driveway.
- If the Vincentian has enough information to assess your need, he or she will let you know; otherwise, they may have to call you back or visit you later if they need to validate information or contact a utility company on your behalf. **Assistance is granted based on the best judgment of the Vincentian working with you; there is no appeal process and assistance is never guaranteed**.
  - **UTILITIES**: Note that we can only pay past due amounts; how much we can pay—**if any**—depends on your circumstances and on ours. Additionally, **the utility account must be in your name**. We cannot pay past due amounts on third-party accounts. Finally, **we are unable to pay utility deposits**; this is your responsibility.
    - If the Vincentian decides he or she needs additional guidance, they will consult our Conference leadership and get back to you as soon as possible. Same day service is not always possible.

Neighbors requesting assistance are reminded that the St. Vincent de Paul Society provides a **hand-up**, **not** a hand-out. Be prepared to work with the Vincentian in discussing what actions you will take to resolve your situation moving forward.

Most often, the programs provide food, clothing, financial assistance to pay utilities, and other necessities. Services provided may vary by location. All Emergency family and individual assistance is provided with dignity and respect.

- **Emergency Shelter**
  - Group homes, emergency shelters, and transitional & permanent supportive housing projects provide housing for varying amounts of time. While in our programs, residents are required to meet regularly with a case manager. Case managers use these meetings to collaboratively create a plan for achieving a more permanent housing solution for each resident. Often times these programs also provide educational, counseling and vocational services to address long-term specific issues that may present as barriers to our program participants. In some instances, residential programs are designed to target specific barriers such as; substance abuse, mental illness and domestic abuse.
    - **Emergency Shelters**

For those looking to escape extreme cold, intense heat, torrential rain, or just wanting a safe, quiet place to spend the night, The Salvation Army provides a nutritious meal, a warm bed and a clean shower.

- **Group Homes and Transitional Living Centers**

Along with meeting immediate physical needs of food and shelter, these establishments provide educational, counseling and vocational services to help develop vital life skills and independence for re-entry into society.

- **Family Service Programs**

The Salvation Army assists families with temporal needs by providing food, housing, and utility assistance. Best of all, these programs enable mothers to stay with their children (boys and girls), even when placed in emergency shelters.

- **Seasonal Services**
  - Seasonal services are special services to help families and children in need at specific times during the year. Seasonal services offered include the many special Christmas giving programs such as holiday food distribution, toy giving programs for needy children, and adopt-a-family initiatives. Beyond Christmas, seasonal services include weather related assistance like fan distribution in the hot summer months and heat assistance in the winter. Back-to-school is another time of special services including

specific material assistance such as backpacks, school clothing and school supplies. Services offered vary by community needs and location.

- **Casework Services**
  - The Salvation Army offers case management services in a variety of settings. Social workers and caseworkers work one-on-one with program participants in partnership to offer opportunities to better their lives. This occurs through an assessment process followed by goal planning in applicable areas. Regular casework sessions provide support and accountability.
- **Pathway of Hope**
  - Pathway of Hope expands the scope of social service casework through a plan of increasingly enhanced services that enable clients to grow from emergency service recipients to healthy, interdependent members of their communities. Participants in the Pathway initiative commit to an extensive program of personal development that, guided closely by social service caseworkers, is intended to stabilize their present and sustain their futures.
- **Food Pantry**
  - Social Service corps, institutions, programs and canteens meet a basic human need for food and nutrition targeted to specific populations. These mass and congregate feeding programs, mobile meals and commodities distributions serve children, homeless persons, seniors and families in various configurations including seasonal food assistance, food pantries and banks, soup kitchens, day camps, snacks served and home delivered meals.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create

ABOUT US

The Society of St. Vincent de Paul got its start in Pensacola in 1933. Today the Council of Pensacola-Tallahassee has 6 conferences in Pensacola, 3 conferences in the Niceville and Panama City areas and 2 conferences in Tallahassee. In the spring of 2012, a new youth conference was formed at Pensacola Catholic High School.

The Society of St. Vincent de Paul offers tangible assistance to the poor. This aid may take the form of intervention, advocacy, consultation or direct financial aid. A unique feature of the Society of SVDP is its commitment to “home visit” those who ask for our help. By visiting the poor in their homes, we offer a listening ear and friendship. This allows us to ascertain other family needs that a family may not have expressly sought.

St. Vincent can provide social services and emergency aid. This includes clothing and furniture, help with food, prevent homelessness by assisting with paying rent or utility bills, provide free or discounted transportation, and the charity can assist in many other ways. While funds are limited and can fluctuate throughout the year, they take on challenges of all types, and do what they can to help the people of Leon and nearby counties.

How We Help

Typical support from a conference may include:

Financial assistance for housing, utilities, and other family needs. Food assistance, clothing, furniture, and other household goods.

“No work of Charity is foreign to the Society”, so some Conferences may provide unique, or specialized, services depending on the needs of the community, or the individuals, that the Conference serves. Interaction with other charitable, service, or community organizations may also affect the amount and scope of resources that a Conference is able to provide to those in need.

The St. Augustine Diocesan Council is organized with three geographically oriented District Councils to provide administration and support to the Conferences located in the Catholic Diocese of St. Augustine.

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That's why The Salvation Army's annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

During a phone screening, a staff member will ask questions to determine your eligibility, but the documentation that is required will not be asked of you until the date of your appointment, should you qualify. You must provide copies of all documents, which include:

- SS cards for every member of the household
- Birth certificates for every minor member of the household
- Bank statement from the last 90 days

Our organization is made up of chapters called "conferences". Conferences are parish and/or community based groups of lay volunteers that provide direct services and referrals to the poor and needy individuals and families. By becoming personally involved in helping the poor in its community, conference members seek to grow and develop in their spiritual lives.

A conference works within the boundaries of the affiliated parish. Each parish conference determines programs that best service the needs of the community which can be limited by the number of members in a conference and the amount of donations received. Please contact the conference nearest to your place of residence.

Services Offered at This Location:

Emergency Services Salvation Army social service programs help meet the basic needs of daily life for those without the resources to do so themselves. Most often, the programs provide food, clothing, financial assistance to pay utilities, and other necessities. Services provided may vary by location. All Emergency family and individual assistance is provided with dignity and respect.

- **Emergency Shelter**
  - Group homes, emergency shelters, and transitional & permanent supportive housing projects provide housing for varying amounts of time. While in our programs, residents are required to meet regularly with a case manager. Case managers use these meetings to collaboratively create a plan for achieving a more permanent housing solution for each resident. Often times these programs also provide educational, counseling and vocational services to address long-term specific issues that may present as barriers to our program participants. In some instances, residential programs are designed to target specific barriers such as; substance abuse, mental illness and domestic abuse.
    - **Emergency Shelters**

For those looking to escape extreme cold, intense heat, torrential rain, or just wanting a safe, quiet place to spend the night, The Salvation Army provides a nutritious meal, a warm bed and a clean shower.

- **Group Homes and Transitional Living Centers**

Along with meeting immediate physical needs of food and shelter, these establishments provide educational, counseling and vocational services to help develop vital life skills and independence for re-entry into society.

- **Family Service Programs**

The Salvation Army assists families with temporal needs by providing food, housing, and utility assistance. Best of all, these programs enable mothers to stay with their children (boys and girls), even when placed in emergency shelters.

St. Petersburg Bob and Margaret Keelean Sallie House and Children Shelter

The Salvation Army excels in sheltering and transitional housing, and St. Petersburg, Florida, exemplifies that excellence, offering a unique set of programs that serve a considerable need in the community.

The Sallie House, which began operation in 1990, exists as a safe haven for children up to 17 years of age who have been removed from their home because of abuse, neglect or abandonment. The physical structure operates in dormitory style in conjunction with local and state authorities, with the Army providing a place of respite for young people in need.

- **Seasonal Services**
  - Seasonal services are special services to help families and children in need at specific times during the year. Seasonal services offered include the many special Christmas giving programs such as holiday food distribution, toy giving programs for needy children, and adopt-a-family initiatives. Beyond Christmas, seasonal services include weather related assistance like fan distribution in the hot summer months and heat assistance in the winter. Back-to-school is another time of special services including specific material assistance such as backpacks, school clothing and school supplies. Services offered vary by community needs and location.
- **Casework Services**
  - The Salvation Army offers case management services in a variety of settings. Social workers and caseworkers work one-on-one with program participants in partnership to offer opportunities to better their lives. This occurs through an assessment process followed by goal planning in applicable areas. Regular casework sessions provide support and accountability.
- **Pathway of Hope**
  - Pathway of Hope expands the scope of social service casework through a plan of increasingly enhanced services that enable clients to grow from emergency service recipients to healthy, interdependent members of their communities. Pathway is grounded in a strengths based case management model and an increased network of resources through community collaboration. Participants in the Pathway initiative commit to an extensive program of personal development that, guided closely by social service caseworkers, is intended to stabilize their present and sustain their futures.

- **Food Pantry**
  - Social Service corps, institutions, programs and canteens meet a basic human need for food and nutrition targeted to specific populations. These mass and congregate feeding programs, mobile meals and commodities distributions serve children, homeless persons, seniors and families in various configurations including seasonal food assistance, food pantries and banks, soup kitchens, day camps, snacks served and home delivered meals.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That's why The Salvation Army's annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

They come from all walks of life, from all ages and stages. Born into poverty, a few bad decisions, a job loss or furlough, a family torn apart, the death of a breadwinner, a substance abuse problem or mental illness or unexpected expenses.

Regardless of their journey, they arrive daily at St. Vincent de Paul Community Kitchen and Resource Center. They come for nourishment, for solace, for hope, for human dignity and, perhaps…for a second chance.

Services

- **Food - 150 Meals X 365:** The day starts early. Volunteers begin arriving as early as 4:00 AM. They know that when dawn arrives, more than 150 individuals will show up - many from a night on the street. Beyond the traditional "soup kitchen" guests are treated to a full meal, a warm welcome, a place of respite and respect. Towards the end of the month, many residents who face regular food insecurity (not enough in their paychecks to cover food) also join us. Parents, too, who sacrifice their own evening meals so that there is food on the table for their children. Our programs are supported through funding from the Pinellas Community Foundation, the City of Clearwater and private donors.
- **Dignity:** We participate in the Pinellas Homeless Management Information System (PHMIS) through the Homeless Leadership Alliance, which registers clients for social services and provides identification cards. We distribute bus passes for doctor's appointments and clients seeking employment. We also provide a postal address for receiving mail and packages. We provide clothing vouchers for the SVdP Thrift Store, and toiletries and hygiene products. We connect them with resources, including addiction services, mental health counseling, medical care, housing assistance and job placement.
- **Health & Hygiene:** We provide facilities for over 5,720 hot showers a year with soap, shampoo, conditioner and towels. We offer clothing and free laundry facilities to clients to maintain personal hygiene and health. We distribute wheelchairs and glasses from community donations. We host Pinellas County Health Services' Mobile Medical Unit weekly which evaluates client health needs and provides referrals to health services available to eligible clients in the community. Additionally, medical volunteers are on-site on Tuesdays.
- **S.T.E.P. (Survive the Elements Program):** As donations and collection drives allow, the SVdP distributes items to help chronically homeless people, survive against exposure

to the elements. Critical items include: socks, survival whistles, insulated thermoses, rain ponchos, used/refurbished or mended backpacks, and sleeping mats. S.T. E. P. bags containing lip balm, toothbrush, toothpaste, dental pick, deodorant, hairbrush, face/body anti-bacterial wipes, washcloth, disposable razor, and sunscreen are given to help maintain hygiene and healthier living.

- **S.T.E.P. for Seniors:** STEP (Survive the Elements) for Seniors (also weekly) provides clothing and gear to assist homeless clients in compensating for the health and safety deficits incurred by chronic exposure to environmental conditions while living outdoors. The gear provided includes insect repellent, sunblock, lip ointment, deodorant, medicated pain creams, hand sanitizer, first aid kit products and antibiotic ointment. Tarps, flashlights, ponchos and umbrellas are provided as needed. The Senior Citizens Services fund through Pinellas Community Foundation has provided grant funding for this program, as well as the Sr. Nutrition program.
- **Senior Nutrition:** A core group of our community are seniors 55 and older who suffer from poor health conditions, exposure to the elements and nutritional neglect. The Senior Nutrition program consists of weekly distributions of megavitamins and vitamin/mineral-enriched foods (protein drinks, nutrition bars, single-serve cereals, salmon/tuna, fruits, etc.) that are sustainable for a homeless senior who has no access to food storage or refrigeration. Thanks to a grant from Pinellas Community Foundation's Senior Citizens Services fund, we are able to provide this vital program which keeps our seniors healthy and out of local hospitals.

Youth Services

Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That’s why The Salvation Army’s annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create

Most often, the programs provide food, clothing, financial assistance to pay utilities, and other necessities. Services provided may vary by location. All Emergency family and individual assistance is provided with dignity and respect.

- **Emergency Shelter**
  - Group homes, emergency shelters, and transitional & permanent supportive housing projects provide housing for varying amounts of time. While in our programs, residents are required to meet regularly with a case manager. Case managers use these meetings to collaboratively create a plan for achieving a more permanent housing solution for each resident. Often times these programs also provide educational, counseling and vocational services to address long-term specific issues that may present as barriers to our program participants. In some instances, residential programs are designed to target specific barriers such as; substance abuse, mental illness and domestic abuse.
    - **Emergency Shelters**

For those looking to escape extreme cold, intense heat, torrential rain, or just wanting a safe, quiet place to spend the night, The Salvation Army provides a nutritious meal, a warm bed and a clean shower.

- **Group Homes and Transitional Living Centers**

Along with meeting immediate physical needs of food and shelter, these establishments provide educational, counseling and vocational services to help develop vital life skills and independence for re-entry into society.

- **Family Service Programs**

The Salvation Army assists families with temporal needs by providing food, housing, and utility assistance. Best of all, these programs enable mothers to stay with their children (boys and girls), even when placed in emergency shelters.

- **Seasonal Services**
  - Seasonal services are special services to help families and children in need at specific times during the year. Seasonal services offered include the many special Christmas giving programs such as holiday food distribution, toy giving programs for needy children, and adopt-a-family initiatives. Beyond Christmas, seasonal services include weather related assistance like fan distribution in the hot summer months and heat assistance in the winter. Back-to-school is another time of special services including

specific material assistance such as backpacks, school clothing and school supplies. Services offered vary by community needs and location.

Social workers and caseworkers work one-on-one with program participants in partnership to offer opportunities to better their lives. This occurs through an assessment process followed by goal planning in applicable areas. Regular casework sessions provide support and accountability.
- **Pathway of Hope**
  - Pathway of Hope expands the scope of social service casework through a plan of increasingly enhanced services that enable clients to grow from emergency service recipients to healthy, interdependent members of their communities. Pathway is grounded in a strengths based case management model and an increased network of resources through community collaboration. Participants in the Pathway initiative commit to an extensive program of personal development that, guided closely by social service caseworkers, is intended to stabilize their present and sustain their futures.
- **Food Pantry**
  - Social Service corps, institutions, programs and canteens meet a basic human need for food and nutrition targeted to specific populations. Children are most likely to commit or experience criminal activity between 3:00 – 6:00 p.m. on weekdays. This behavior includes vandalism, sexual misconduct, and cigarette, drug, and alcohol consumption. The Salvation Army offers a wide array of community programs to help cultivate brighter futures. Along with community centers dedicated to supporting the physical, emotional, and spiritual growth of moms, dads, and kids, we provide summer

camps for kids, after-school programs for students of all ages, summer programs for high school students, and numerous music, art, and athletic programs for aspiring youth. While free summer camp invites kids to experience the world in a new way, extracurricular activities give families access to programs they might not otherwise be able to afford.

The Salvation Army Helps Children Thrive Through:

- **CHARACTER-BUILDING PROGRAMS:** With more than 400 after-school programs nationwide, we foster an environment of learning long after the school day ends. By providing a safe place to study, read, learn, connect with friends, play sports, and enrich the mind, we give at-risk kids a healthy alternative to less-desirable after-school options.
  - **SUMMER CAMP FOR KIDS:** Many children from low-income families rarely experience life outside their immediate neighborhood. That's why The Salvation Army's annual summer camp programs are so important. Every year, thousands of kids get a fresh perspective on life as they meet new friends, discover new activities, and get a taste of the great outdoors. As campers learn to swim, play sports, create music, make art, and scout, their trained counselors help them navigate the complicated emotions and struggles often associated with their lives back home.

How We Help

Typical support from a conference may include:

Financial assistance for housing, utilities, and other family needs. Food assistance, clothing, furniture, and other household goods.

"No work of Charity is foreign to the Society", so some Conferences may provide unique, or specialized, services depending on the needs of the community, or the individuals, that the Conference serves. Interaction with other charitable, service, or community organizations may also affect the amount and scope of resources that a Conference is able to provide to those in need.

The St. Augustine Diocesan Council is organized with three geographically oriented District Councils to provide administration and support to the Conferences located in the Catholic Diocese of St. Augustine.

ABOUT US

The Society of St. Vincent de Paul got its start in Pensacola in 1933. Today the Council of Pensacola-Tallahassee has 6 conferences in Pensacola, 3 conferences in the Niceville and Panama City areas and 2 conferences in Tallahassee. In the spring of 2012, a new youth conference was formed at Pensacola Catholic High School.

The Society of St. Vincent de Paul offers tangible assistance to the poor. This aid may take the form of intervention, advocacy, consultation or direct financial aid. A unique feature of the Society of SVDP is its commitment to “home visit” those who ask for our help. By visiting the poor in their homes, we offer a listening ear and friendship. This allows us to ascertain other family needs that a family may not have expressly sought.

St. Vincent can provide social services and emergency aid. This includes clothing and furniture, help with food, prevent homelessness by assisting with paying rent or utility bills, provide free or discounted transportation, and the charity can assist in many other ways. While funds are limited and can fluctuate throughout the year, they take on challenges of all types, and do what they can to help the people of Leon and nearby counties.
