Player Activity Statement

Your Player Activity Statement allows you to keep a running tab of your spending habits on FanDuel.

When you review your Player Activity Statement, you'll be able to see an overview of your deposits, withdrawals, winnings, bets, and more across the life of your FanDuel account.

How It Works

1. To check your Player Activity Statement, simply click on the Review Your Activity link below.
2. Log into your account
3. Check your stats across different time periods and all FanDuel products.

Deposit Limits

Setting a Deposit Limit lets you specify the amount of money that you want to deposit into your FanDuel account on a daily, weekly or monthly basis.

Once set, you will be able to deposit up to the limit you have determined during a given time period, after which you will be blocked from any more deposits until the timeframe has elapsed.

How It Works

1. To set a deposit limit, simply click on the Set Deposit Limit link below.
2. Log in to your account.
3. Select a time period (daily, weekly or monthly) and deposit amount.

Requests to decrease your deposit limit will take effect immediately. In order to increase your existing deposit limit (making the limit less restrictive), you will be prompted to request an increase and then return to the RG Tools page and confirm your limit increase after a cooldown period.

If you choose to set a deposit limit, it will also be applied to your FanDuel Fantasy and FanDuel Casino accounts (if applicable).

Maximum Entry Fee Limits

You can specify the maximum entry fee you want to spend per contest.

Once set, you will be able to enter contests with entry fees up to the limit you have determined. Contests with entry fees greater than your specified amount will block you from entering.

How It Works

1. To set an Entry Fee Limit, simply click on the Set Fee Limit link below.
2. Log in to your account.
3. Adjust your limit by selecting a new dollar amount.

Requests to decrease your entry fee limit will take effect immediately. In order to increase your existing entry fee limit (making the limit less restrictive), you will be prompted to request an increase and then return to the RG Tools page and confirm your limit increase after a cooldown period.

Contest Entry Limits

By setting a Contest Entry Limit, you can choose the maximum number of contests you can enter in a given time period.

Once set, you will be able to enter up to the limit you have determined, and you will be blocked from entering any more contests until the timeframe has elapsed.

How It Works

1. To set an Contest Entry Limit, simply click on the Set Entry Limit link below.
2. Log in to your account.
3. Adjust your limit by selecting a number of contests.

Requests to decrease your contest entry limit will take effect immediately. In order to increase your existing entry limit (making the limit less restrictive), you will be prompted to request an increase and then return to the RG Tools page and confirm your limit increase after a cooldown period.

Contest Entry Alerts

You can get notifications if you might have entered too many contests on a daily, weekly, or monthly basis.

Once set, you will only be notified once you enter a number of contests that you have determined.

How It Works

1. To get notified, simply click on the Set Alerts link below.
2. Log in to your account.
3. Select the number of contests you'd like to set as your limit.

Requests to decrease your alert notifications will take effect immediately. In order to increase your existing alert (making the limit less restrictive), you will be prompted to request an increase and then return to the RG Tools page and confirm your limit increase after a cooldown period.

Take A Timeout

Want to take a break from betting? Tell us how much time you want to take (between 3-365 days) and we'll make sure you can only log in after the timeout has ended.

Once set, you will be able to wager up to the limit you have determined on any given bet, and you will be blocked from placing a wager larger than your specified amount.

How It Works

1. To take a timeout, simply click on the Set Timeout link below.
2. Log in to your account.
3. Select the number of days you'd like to take as your break.

Once you select your Timeout, you will not be able to log in to your account for the entire period you've chosen.

If you have any questions during your Timeout, please contact our customer support team at any time.

Self-Exclusion

With Self-Exclusion, you have the ability to exclude yourself from gaming with FanDuel or with all of the operators in your state.

How It Works

1. To exclude yourself, simply click on the Set Self-Exclusion link below.
2. Log in to your account.
3. Select the number of years you'd like to set as your self-exclusion.

When you sign-up for self-exclusion, you will be unable to access your gaming account with FanDuel, and with other operators (when you sign up for a state-wide self-exclusion program), for the time period you designate starting at 1 year.
