Description

Website provides a meeting locator. Phone available 11am to 7pm EST. If you believe you have a problem with sex addiction (or are wondering if you might) and you want to change your behavior, we recommend that you find and attend a meeting of Sex Addicts Anonymous as soon as possible. We have found that the path to recovery begins with meetings. You may attend as many meetings as you like, and they are free of charge. The only requirement is a desire to stop your addictive sexual behavior. A list of meetings can be found on our website or by calling our 800 number between the hours of 11 AM and 7 PM Eastern Standard Time
